(Notes: Both were born in PA probably Washington Co. In 1820, they were residents of Fallowfield Twp., Washington Co., PA. At the time, there were two children in their household, one male and one female both under 10 years of age. In 1830, they were residents of Pike Twp., Stark Co., OH. By that time, there were two males in their household, one between 10 and 15 and one between 5 and 10 years old. There was also one female between 5 and 10 years of age. In 1840, they were living in Wayne Twp., Tuscarawas Co., OH. In 1842, they quit claimed their interest in the Lash family real estate in Stark Co., OH to Mary's brothers, Andrew and Daniel Lash. At the time, they

appeared before a notary in Stark Co., which suggests that they lived nearby. In 1849, Jacob Bear/Barr, Simon and Mary's son-in-law, purchased the real estate formerly owned by Simon from his heirs. By three separate deeds all dated in December, 1849, his widow, Mary, and his two sons, Samuel and Simon D. sold their interests in the Tuscarawas Co. land to Mr. Barr. In exchange for this transfer, Mary took a "mortgage" on the property. The following statement is contained within that document: "Whereas the said Jacob Bear (sic Barr) hath heretofore on the 10th day of June, 1845 entered into a certain article of agreement with Simon Rearick and the said Mary Rearick his wife (the said Simon being now dead) in which the said Jacob Bear (sic Barr) covenants as follows: To keep the said Simon Rearick and his wife, Mary, during their natural lives, be the same short or long, and to provide and furnish the said Simon Rearick and Mary his wife a decent and comfortable maintainance during the whole of their natural lives, taking upon themselves the whole care and burden of providing them the said Simon Rearick and Mary his wife with all necessary means for their maintainance and support so as to keep them in a decent and comfortable manner during the whole of their natural lives henceforth, and to treat them respectfully and affectionately during their natural lives." From this, we learn that Simon had died prior to December, 1849 and Mary survived. I have not however been able to find Mary on the 1850 census. I have found no cemetery record for either Simon or Mary in Tuscarawas Co.)
